

CHINMAY ANANDA

FINANCIAL EDUCATOR – BUSINESS STORYTELLER – TEDx SPEAKER – AUTHOR

- Since 2014, Chinmay has trained and consulted over 15,000+ business owners and non-financial managers globally on the subject of 'business finance'.
- He is a proud owner of six failed businesses which taught him what not to do in business.
- Chinmay has developed finance programs that are taught to MBA students in Australia & American Universities, namely,
 - Royal Melbourne Institute of Technology
 - Torrens University Australia
 - University of New England
 - Kennedy University of Leadership, USA.
- He served as a 'National Treasurer' of Professional Speakers Australia between 2018-21, and is an active Rotarian.
- He actively invests and raises funds for startups and family businesses along with providing strategic consulting services whilst selling, buying, merger & acquisition of companies.
- Chinmay is also the Founder of YGB Club, a platform where seasoned professionals and successful entrepreneurs share powerful real-world stories and insights with the next generation of entrepreneurs and professionals in educational institutions.

Chinmay has authored two books - *"FUNdamentals of Financial Statements"* and *"The Bottomline"*.
